THANK YOU FOR YOUR SUPPORT

On behalf of everyone at UNICEF UK, I would like to say a huge thank you for the amazing sum of £120,566.85 that has been collectively raised to date by Drunch (Mayfair, Regents Park, and Oxford Circus) customers and staff for UNICEF in support of children affected by the conflict in Syria. Your ongoing support to UNICEF has been vital in helping children and families across Syria, including those affected by the earthquakes that hit parts of Syria and Türkiye earlier this year.

The extensive damage caused by the earthquakes and aftershocks exacerbated the situation of already vulnerable children experiencing the conflict. But thanks to supporters like you, UNICEF has continued to provide lifesaving assistance to children and their families in Syria. So far this year, UNICEF and partners have reached over 1 million children with essential nutrition services, provided over 700,000 children with access to learning resources, and more than 190,000 children were given mental health support.

UNICEF has also scaled up reconstruction of damaged infrastructure and restoration of basic services. Crucial water and sewage networks have been rebuilt, schools have been repaired, and health centres have been setup. These are only a handful of results that your kind donations have already helped us to achieve.

Thank you again to all the wonderful Drunch staff for the role you play in fundraising for UNICEF every day. I hope Drunch customers will feel confident that their gift to UNICEF is making an immediate impact where it is needed most. Together we can continue to help to create a brighter future for every child in Syria.

Warmest regards,

Victoria Roe
